

Newspaper Digitization Project Checklist

About you

Please tell us a bit about your organization and your project personnel.

1. Organization name and contact information

Organization name

Mailing address

Postal/Zip code

Primary project contact name

Position

Email

Phone

2. Do you have an existing VITA Toolkit account?

Yes

No

Don't know

Other (please specify)

Newspaper Digitization Project Checklist

Full run newspaper collections

Please complete the following questions to the best of your knowledge so we can start building a profile of your newspaper content and project goals.

3. Permissions:

Have you determined the copyright status of your newspaper content?

- Yes
- Not yet
- Other (please specify)

4. If applicable, does your organization have written permission from the copyright holder or publisher to digitize and display the newspapers online for public use?

- Yes
- Not yet
- Other (please specify)

5. What are the publication titles and the range of years that you plan to digitize? e.g. Newmarket Era 1884-1950 [Please enter each publication with dates on a separate line]

Newspaper Digitization Project Checklist

6. Format:

What format(s) do you plan to digitize from? [Please check all that apply]

- Microfilm positives (public copies or used)
- Microfilm positives (1st generation or never used)
- Microfilm negatives
- Microfiche (public copies or used)
- Microfiche (1st generation or never used)
- Paper copies
- Digital
- Other (please specify)

If you only have paper copies, please skip to Q11

7. Original copy producers:

Who produced the microfilm, fiche, or other preservation (non-paper) copies of your newspapers? Please supply the name(s) of the producers that correspond with each format.

Microfilm	<input type="text"/>
Microfiche	<input type="text"/>
Digital	<input type="text"/>
Other	<input type="text"/>

8. If your collection includes digital files, please indicate what type of files. Include here any other information you might have about the digital files, e.g. resolution (dpi), dimensions (px long side). [Please check all that apply]

JPG	<input type="text"/>
TIF	<input type="text"/>
PDF	<input type="text"/>
TXT	<input type="text"/>

Newspaper Digitization Project Checklist

9. Please calculate an approximate number of *images* per preservation format you plan to digitize (i.e. the actual image on the fiche/film/hard drive, etc, not pages). Note: an average will do for estimation purposes. Use [this handy guide](#) to approximate how many images might appear in any format.

Microfilm:

Microfiche:

Digital:

Other:

10. Duplex images:

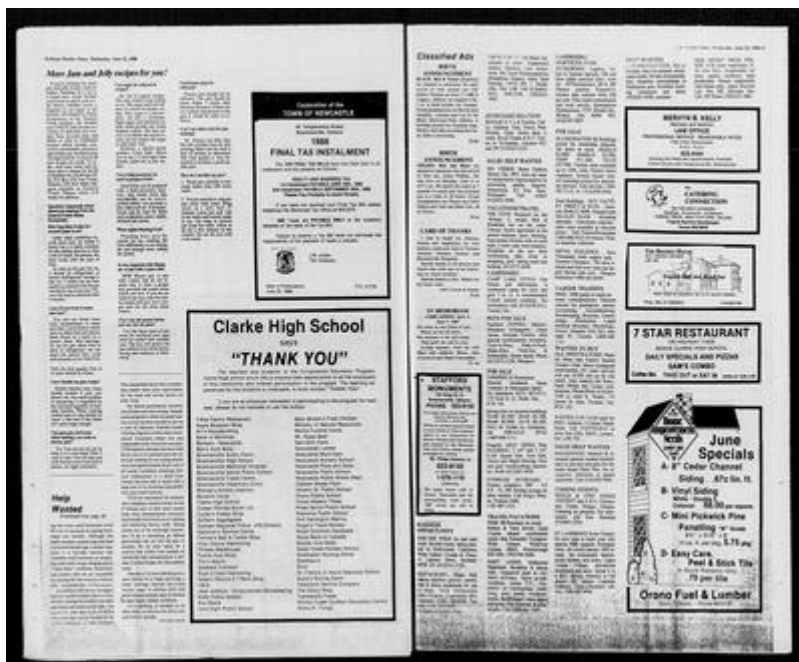

Please indicate approximately how many images in any given format represent two pages (2-up) (e.g. if 4/10 microfilm reels contain images that represent two pages at a time (see example), the other 6/10 were filmed a single page at a time = enter 4/10 in the microfilm row below)

Microfilm:

Microfiche:

Digital:

2-up page images

11. Paper copy page count:

Approximately how many pages do you plan to have digitized? (e.g. No. of years x issues per year x pages per issue)

Newspaper Digitization Project Checklist

12. Paper copy storage:

How are your paper copies stored? (Please check all that apply)

Bound

Unbound

Other (please specify)

13. Output requirements:

What digital file types do you require from this project for your archives or long-term storage? All images will be digitized in greyscale unless otherwise requested. [Please check all that apply]

300dpi TIF

300dpi JPG

PDF (readable)

TXT (from OCR)

Colour images

Other (please specify)

Newspaper Digitization Project Checklist

Newspaper Index

Please indicate if you have an existing newspaper index that will be linked to the full-run page images during this digitization project.

14. Do you have index records for these publications?

- Yes
- No
- Not sure

Other (please specify)

15. If you answered yes above, what format are the index records? [Please check all that apply]

- Microfilm
- Microfiche
- Database (enter name in "Other" category below e.g. VITA / AccessDB / InMagic, etc)
- Spreadsheet
- Word document
- Typed index cards
- Handwritten index cards
- Other (please specify)

16. What types of index records do you have: [Please check all that apply]

- Births
- Deaths (including Obituaries and In Memoriams)
- Marriages
- Articles
- Advertisements
- Other (please specify)

Newspaper Digitization Project Checklist

17. Approximately how many index records are available in each format type?

Microfilm (no. of film)	<input type="text"/>
Microfiche (no. of sheets)	<input type="text"/>
Database (no. of records)	<input type="text"/>
Spreadsheet (no. of records)	<input type="text"/>
Word document (no. of records)	<input type="text"/>
Typed index cards (no. of cards)	<input type="text"/>
Handwritten index cards (no. of cards)	<input type="text"/>
Other	<input type="text"/>

Newspaper Digitization Project Checklist

Project requirements

Help us meet your project obligations:

18. Do you have timelines (deadlines, milestones, etc) associated with this project and what are they?

19. Please supply any other information about your content or project parameters for further discussion.

Thank you! We'll be in touch shortly and, if possible, will request some sample image and/or index content. Questions? Contact Jess at jposgate@ourdigitalworld.org
